HIGH SCHOOL NEWS

Mr. Brad's Class

U.S. History: Students are wrapping up any incomplete work and finishing their chapter on Westward Expansion.

Mrs. Liz's Class

This week, we discussed amusement parks. We researched, wrote, graphed and created amusement parks. We watched *Closed for Season* and discussed the impacts of extreme weather on amusement parks.

Mrs. Shannon's Class

High School ELA: The students are finishing up work on their personalized learning plans. Each student had the opportunity to choose which subject they would like to gain an extra credit in for the summer. Students are quickly getting to know me as I am brand new to the school.

Middle School: Students are working on finishing different writing enrichment activities to prepare them for the next school year. They really love Spelling Bees!

Mr. Josh's Class

Pre-Alg: This week in pre-algebra, students were encouraged to complete any missing assignments or complete work for extra credit as we close our summer session.

Physical Science: This week, we finished up our unit on the solar system with an online scavenger hunt. Students were encouraged to complete any missing assignments for extra credit.

Music Appreciation: We are finishing Hamilton which exposed the students to a modern musical.

LOWER & UPPER ELEMENTARY

Ms. Heather's Class

We had an AMUSING week...Our theme was Amusement Parks. We watched a video which featured our very own Six Flags, St. Louis as well as Cedar Point in Ohio, which is known for the amazing roller coasters. Students designed their own amusement park. They had a budget of \$20,000 and had to figure out what rides they would choose for their park. They had a budget sheet and had to create a promotional poster as well as a layout of their park. We even had a mini carnival with carnival games and snacks.

BEST Program

Mrs. Marci's Class

This week was Amusement Park week. We went on several virtual field trips to check out the rides in different parks. We really loved the POV roller coasters. The students also practiced adding and subtracting. They read numerous stories and worked on their ability to differentiate facts from opinions.

Mr. Alfonzo's Fitness : Fitness for the Month of August

This month in fitness the focus will be on kickball.

When weather does not permit, we will continue doing our indoor circuit training.

THERAPEUTIC DEPARTMENT

Psychosocial Groups:

This summer the students will be focusing on coping skills. The students will have an opportunity to teach their classmates their favorite skill and when to use it. Students will also be participating in team building activities throughout the summer.

Therapeutic Program Contact Information:

Please contact the Therapeutic Program with questions or concerns. The School Counselor, Krista Reese, can be contacted at kreese@theleadschool.com or phone at 636-447-5100 x 103. Information from home helps us to be able to meet the needs of your student more proactively and effectively. Some things that are helpful to receive updates about: sleeping difficulties, any recent loss or trauma, any lengthy absences of parents or Guardians, medication changes or has encountered any other type of significant obstacle outside of school.

REMINDERS AND IMPORTANT SCHOOL POLICIES

Emergency Contacts:

If the phone numbers for any of your child's emergency contacts change during the school year, please notify the school office immediately so we have up to date contacts in the event of an emergency or early release due to inclement weather.

Canceling Transportation:

Please remember that if your child will be absent from school, or if you will be bringing your child to, or picking him or her up from school, be sure to call your transportation company to let them know your child will not need a ride.

Morning Arrival

If you need to drop off your child at school in the morning, please note that our doors open at 8:45 am. Students should wait in their vehicle until greeter and directed to the check-in line.

Breakfast is served daily until 9:10

Beverages:

All beverage containers must contain the original beverage and should not be opened before entering the building. Students may bring an empty water bottle, which they can fill from the school's drinking fountain. *Glass containers of any kind are not permitted.*
